GOULD NOT SLEEP OR DO HOUSEWORK

The Grippe Left Mrs. Findley in Such a Weak, Nervous Condition That Her Case Was Serious.

Severy, Kans .- "The Grippe left me in a very weak, nervous, run-down con-dition. I was too weak to do my housework and could not sleep. I tried different medicines without benefit and finally one day read about Vinol, and decided to try it. In a very short time I could see an improvement and after taking two bottles I have a good appetite and my health and strength was restored.

"I think Vinol is a grand medicine and every weak, nervous, run-down wo-man should take it."—Mrs. GEO. FIND-LEY, Severy, Kans.

Vinol creates atrength because it contains all the medicinal tissue-building elements of eod liver oil actually taken from fresh, healthy cods' livers. To this is added peptonate of iron, a most essential element for the blood, all dissential element for the blood and the second formal element for the blood at the second formal element for the second formal el solved in a delicious tonic native wine.

Vinol creates an appetite, aids digestion, makes pure healthy blood. In this natural manner it builds up the rundown, weak and nervous system, replaces weakness with strength. If Vinol fails to create strength after sickness we will return your money. return your money.
